

# SAS® OnDemand for Academics: Enterprise Miner™

## Instructor Registration Instructions

1. Visit the following Web site to begin:  
<http://support.sas.com/ctx3/sodareg/index.html>
2. Enter your e-mail address and SAS Profile password in the appropriate boxes. If you do not have a SAS Profile or have forgotten your SAS Profile credentials, continue with this section. Otherwise, continue to Step 3.

The screenshot shows the SAS OnDemand for Academics Control Center registration page. At the top left is the SAS logo with the tagline 'THE POWER TO KNOW.'. At the top right is the text 'SAS® OnDemand for Academics Control Center'. Below the logo is a blue bar with 'A A' and 'SAS® OnDemand for Academics Access the power of SAS software through the Internet.' The main content area contains a text box explaining that the Control Center uses the same userid and password as the SAS Profile, and provides instructions for new and existing users. Below this are two input fields: 'E-mail address:' and 'Password:'. A blue 'Enter' button is positioned below the password field. At the bottom of the form area are two links: 'New User?' and 'Forgot Your Password?'. The footer contains links for 'Contact Us', 'Server Status', 'Terms of Use & Legal Information', and 'Privacy Statement', along with copyright information: 'Copyright © 2011 SAS Institute Inc. All Rights Reserved. | Release 3.6.11\_2011.08.24a'.

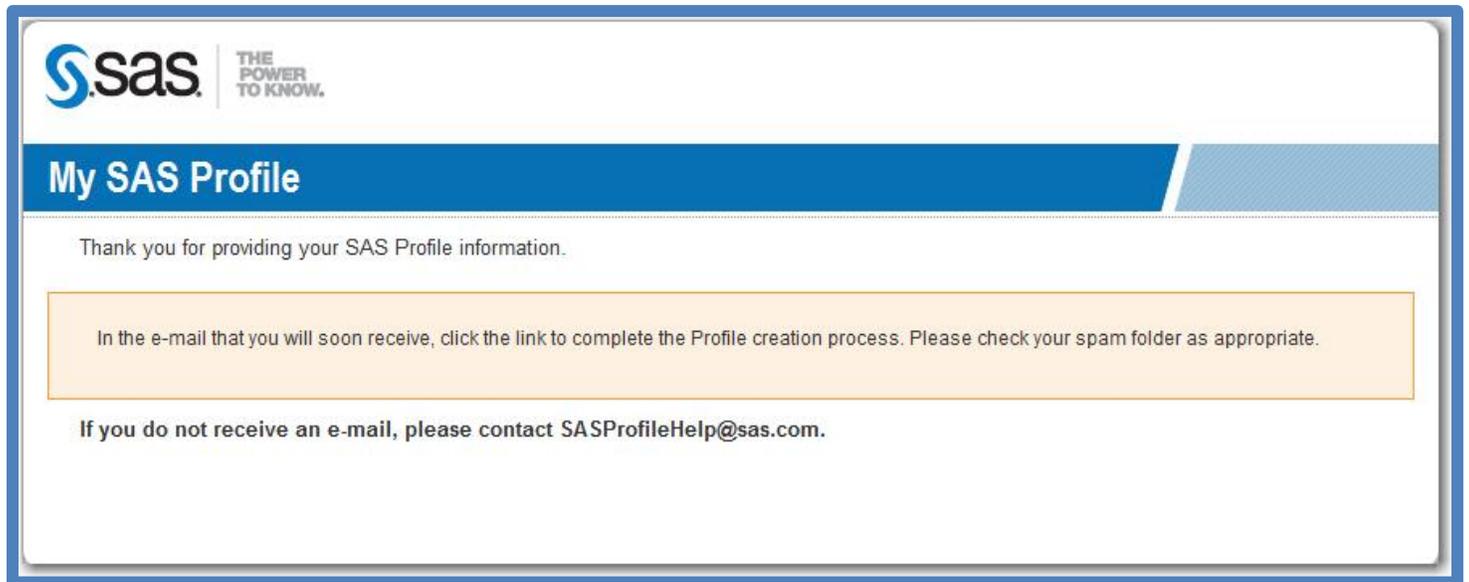

- If you do not have a SAS Profile associated with your e-mail address, select the **Create a SAS Profile** or **New User?** link.
- If you do have a SAS Profile, enter your SAS Profile Password or select **Forgot Your Password?**

The screenshot shows the SAS OnDemand for Academics Control Center login page. At the top left is the SAS logo with the tagline 'THE POWER TO KNOW.'. At the top right is the text 'SAS® OnDemand for Academics Control Center'. Below the header is a blue bar with 'A A' on the left and 'SAS® OnDemand for Academics' in the center, with the subtitle 'Access the power of SAS software through the Internet.' Below this is a grey box containing instructions: 'The SAS® Control Center uses the same userid and password as the SAS Profile. If you are a new user, [create a SAS Profile](#) to get started. If you are an existing user, please enter your e-mail address and SAS Profile password below.' There are two input fields: 'E-mail address:' and 'Password:'. Below the password field is a blue 'Enter' button. At the bottom of the form area are two links: '[New User?](#) | [Forgot Your Password?](#)'. At the very bottom of the page is a footer with links: 'Contact Us | Server Status | Terms of Use & Legal Information | Privacy Statement' and copyright information: 'Copyright © 2011 SAS Institute Inc. All Rights Reserved. | Release 3.6.11\_2011.08.24a'.

- Enter your information in the required fields to create or update your SAS Profile.

The screenshot displays the 'My SAS Profile' page. At the top left is the SAS logo with the tagline 'THE POWER TO KNOW.'. Below the logo is a blue header bar with the text 'My SAS Profile'. The main content area is titled 'Required Information' and contains several form fields, all marked with a red asterisk to indicate they are required. The fields are: 'First Name', 'Last Name', 'Company/Organization', 'Country' (a dropdown menu with the text 'Please select a country'), and 'E-mail'. Below the 'E-mail' field is a privacy notice: 'We value your [privacy](#) and will not sell, rent or lease your information to others.' Below the privacy notice is an 'E-mail Permission' section with the text: 'Would you like to receive occasional e-mails highlighting white papers, training courses and events?' followed by a blue link '(learn more)'. Below this text are two radio buttons: 'Yes' and 'No'. At the bottom of the form area is a blue button labeled 'Create Profile'. Below the form area is an orange-bordered box containing the text: 'After clicking the Create Profile button, you'll receive an e-mail with instructions to create your password and complete the Profile creation process. Please check your spam folder as appropriate.'

- A verification e-mail will be sent. Select the link located in the e-mail.

**sas** | THE POWER TO KNOW.

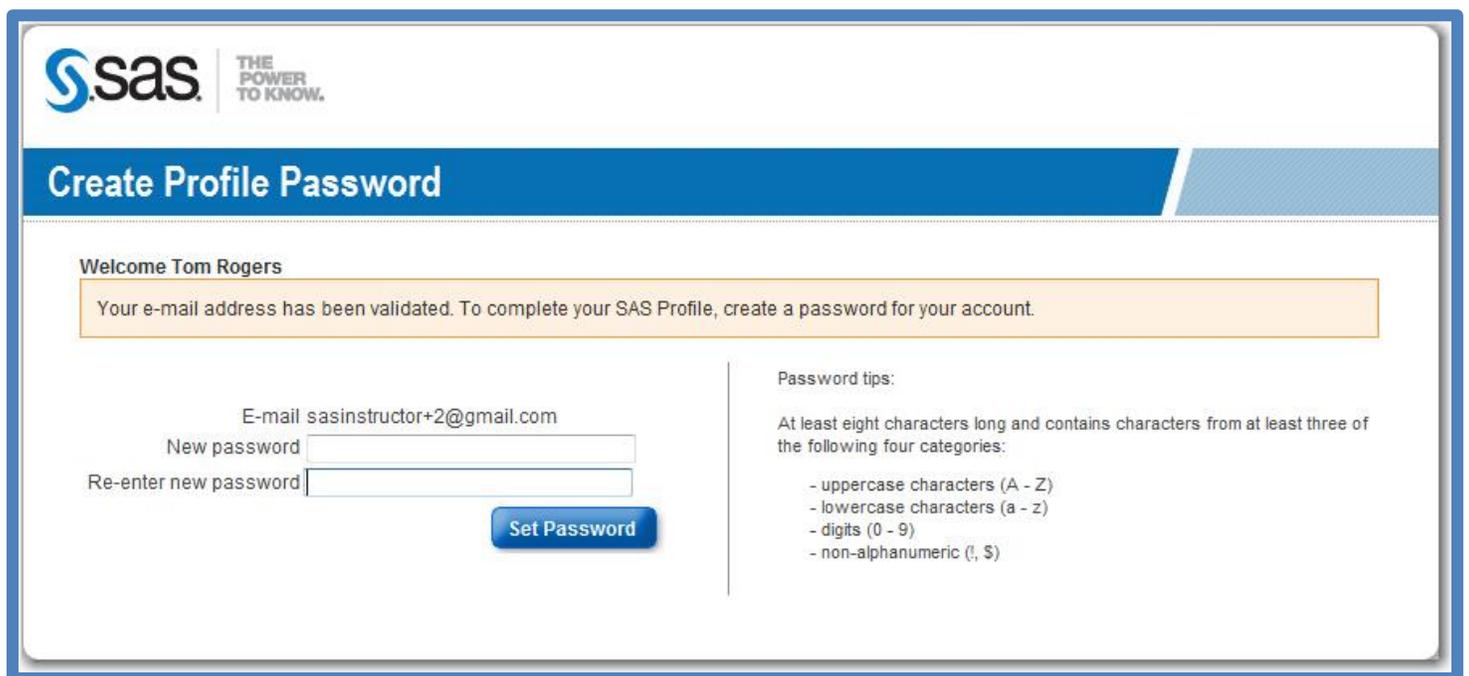

## My SAS Profile

Thank you for providing your SAS Profile information.

In the e-mail that you will soon receive, click the link to complete the Profile creation process. Please check your spam folder as appropriate.

If you do not receive an e-mail, please contact [SASProfileHelp@sas.com](mailto:SASProfileHelp@sas.com).

- Create a SAS Profile Password.
- Write this password down for future reference. You will use it each time that you log on to SAS Enterprise Miner software.

**sas** | THE POWER TO KNOW.

## Create Profile Password

Welcome Tom Rogers

Your e-mail address has been validated. To complete your SAS Profile, create a password for your account.

E-mail [sasinstructor+2@gmail.com](mailto:sasinstructor+2@gmail.com)

New password

Re-enter new password

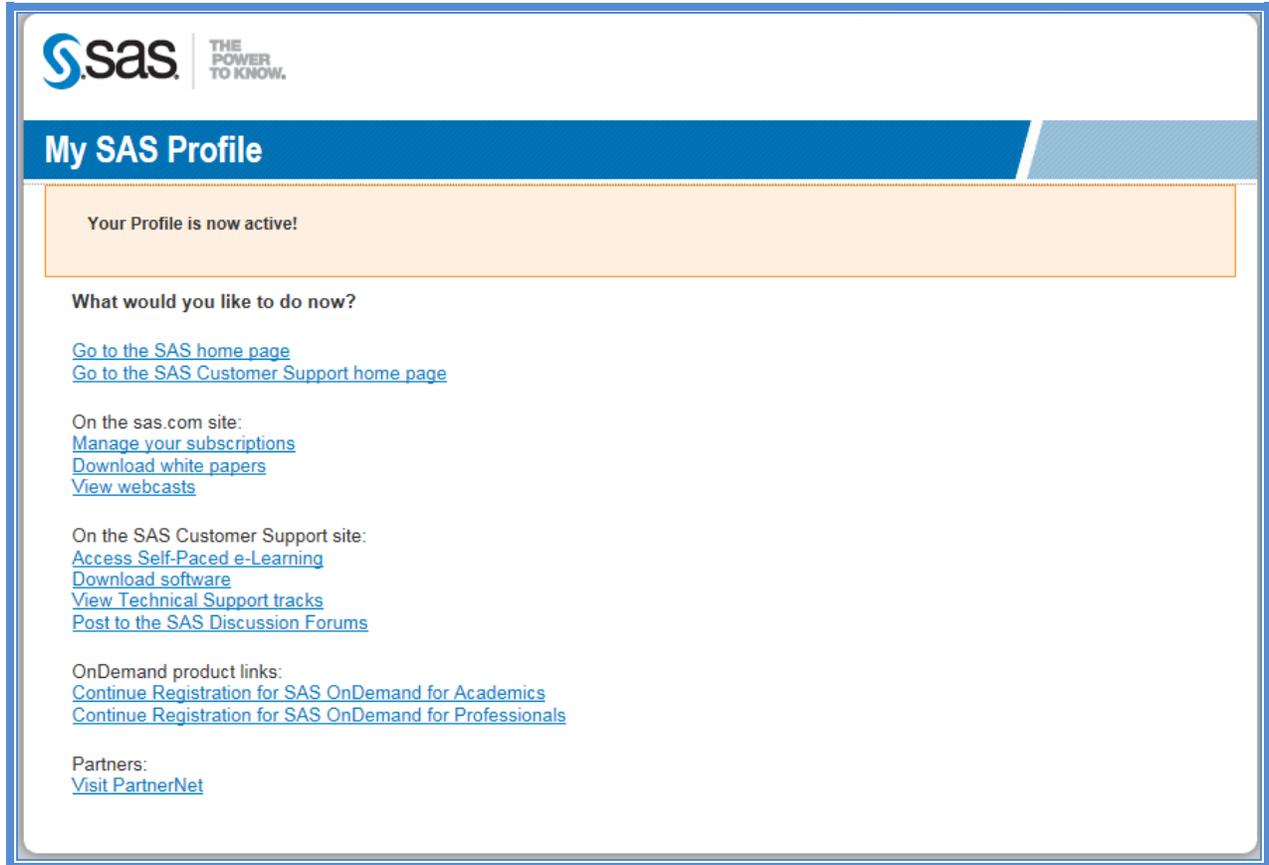

**Set Password**

Password tips:

At least eight characters long and contains characters from at least three of the following four categories:

- uppercase characters (A - Z)
- lowercase characters (a - z)
- digits (0 - 9)
- non-alphanumeric (!, \$)

- Select the **Continue Registration for SAS OnDemand for Academics** link to return to the SAS OnDemand for Academics Control Center.

The screenshot displays the 'My SAS Profile' page. At the top left is the SAS logo with the tagline 'THE POWER TO KNOW.'. Below the logo is a blue header bar with the text 'My SAS Profile'. A light orange banner below the header contains the message 'Your Profile is now active!'. Underneath, the heading 'What would you like to do now?' is followed by several categories of links:

- Go to the SAS home page**
- Go to the SAS Customer Support home page**
- On the sas.com site:**
  - [Manage your subscriptions](#)
  - [Download white papers](#)
  - [View webcasts](#)
- On the SAS Customer Support site:**

- The following is an example of the directory information that explains how to upload and access your course data files (if you choose to do so). To access it from your Home page, select the **Info** link next to the appropriate course.

## SAS® OnDemand for Academics

Access the power of SAS software through the Internet.

### Telling your students about SAS OnDemand for Academics

You must tell your students to register before they can use the software. [View A Sample Message](#)

### Storing Data on the server

A directory will be created on the SAS Server to enable you to store course data for use with SAS Enterprise Guide or SAS Enterprise Miner (this feature is unavailable for SAS Forecast Server). Only instructors have the ability to upload data.

If you have just registered, then it might take up to 15 minutes before your course data directory is available.

### Uploading SAS Data Sets

To upload a SAS data set to the storage area for your course:

1. Start your favorite FTP program.
2. Use the following FTP settings (some FTP programs will prompt you for these):
  - Hostname: sascloudftp.sas.com
  - Userid: tom\_rogers\_exptst
  - Password: (the password you use for accessing the SAS Server)
3. Change directories to the directory of the course that you want to upload a SAS data set to. To find the directory name for your course, review the example LIBNAME statement below. Your course directory name will have a value of c\_xxx (where xxx is a number).
4. Change directories to the directory of your course.
5. Upload the SAS data set to the directory for your course.

You and your students will be able to access the data using the LIBNAME statement shown below. Include the `access=readonly` parameter to prevent your students from modifying the data.

```
libname mydata "/courses/u_fsu.edu1/i_104919_exptst/c_685_exptst" access=readonly;
```

### Uploading non SAS Data Files

To upload a data file to the storage area for your course:

1. Start your favorite FTP program.
2. Hostname:
  - Hostname: sascloudftp.sas.com
  - Userid: tom\_rogers\_exptst
  - Password: (the password you use for accessing the SAS Server)
3. Change directories to the directory of the course that you want to upload a data file to. To find the directory name for your course, review the example FILENAME statement below. Your course directory name will have a value of c\_xxx (where xxx is a number).
4. Upload the data file for your course.

You and your students will be able to access the data using a FILENAME statement. For example, if you upload `sample.csv`, you would use the following statement to access the file:

```
filename sample "/courses/u_fsu.edu1/i_104919_exptst/c_685_exptst/sample.csv";
```

[Return](#)

15. The course table lists the course or courses that you have created. To begin the process of accessing SAS® Enterprise Miner™, select the **Get Software** link from the table row for the appropriate course.
